

REMARKS

Applicants respectfully request reconsideration of the rejection.

Claims 1-6 and 9 were canceled. Claims 7-8 remain pending and allowed.

The Examiner objected to the title of the application on Page 2 of the Office Action. The Applicants have submitted a new title to overcome this objection.

Claims 1-6 and 9 were rejected under 35 U.S.C. 103(a) as being unpatentable over Yamamoto et al., U.S. 6,701,455 (Yamamoto), in view of Moon et al., U.S. Patent Publication Serial No. 2002/0144044 (Moon) or Tatsuya et al., JP 11-272426 (Tatsuya). These rejections are now moot, with no admission as to their propriety.

In view of the foregoing amendments and remarks, the Applicants respectfully request reconsideration of the rejection and allowance of the claims.

Respectfully submitted,

By _____
